THE VELLA NERO GIRLS (p32)

Sydney sisters Vicky, Aileen and Gina Young run the Clarence Street roastery Vella Nero, specialists in coffee couture and winners of multiple gold medals for black magic excellence. The silent partner in this sisterhood is Bella, the roaster that sits front-of-house at the cafe.

Vella Nero's azure-blue takeaway cups are bluebirds of happiness all over Sydney. They testify to the excellence of this roastery, café and bean boutique – a fact further endorsed by the glut of gold medals they've won at various shows nationwide. Owned and managed by three barista sisters, Vella Nero's grandest dame is 'Bella' who stands big, broad and aromatic at the door. She's Vella Nero's on-premises roaster and her loins bequeath six Arabica dominated blends, our favourite being the prize-winning, super-smooth Designer Blend.
